Proven finest turf grass for the
Southwest. Home Lawns--Parks --
Athletic Fields-Golf Courses-Cemeteries

DEALERS: Cash in on the unprecedented demand for superior lawns. U-3 is a rich deep green with a finer blade than common Bermuda. When established it requires less moisture than other types and forms a tight compact turf. U-3 grows more slowly eliminating costly maintenance. U-3 will tolerate a wide range of soil.

Our U-3 Bermuda is packed in bushel baskets containing 8 square feet of SOD. Each container is tagged and certified. The sod may be cut into plugs or sprigs and planted on 12 to 18 inch centers.

Dealer Price: 3.50 per bushel
